Tuesday 17th January 2023

Dear Parents and Carers,

We hope that you have had a great start to 2023, we certainly have at Cabot. It has been wonderful to see all everyone back with us with smiles and smart uniforms. A reminder that black joggers should be worn for PE and not as everyday uniform.

You may see some new faces around the school, we will be having some teaching students from the University of the West of England, coming to see how we do it at Cabot. I know that you will help us to make them feel welcome.

We are looking forward to a visit from Thangam Debbonaire who is a local MP. She will be talking democracy and answering questions from the children in assembly at the end of this week.

Cabot is a busy place and we are also looking forward to welcoming staff from Excalibur Academies Trust and our own Academy Committee as well as some you. (I have heard that tickets have been going quickly!)

Finally, as many of us are working to maintain our new year resolutions, we are trying hard to form new habits. We want to keep improving our attendance and punctuality. The gate will open at 8:40 so that you have time to walk around to your classroom so that when the bell goes at 8:45, you are ready to go in and start your day. Please aim to be entering classrooms at 8:45.

If you feel that there is anything useful that could be shared in the next newsletter, please let us know. This may be upcoming events in the locality, useful services that you have used, etc.

Best wishes,

Mrs L-H

Diary Dates

- 24th January – Celebration with Excalibur
- 21st and 22nd March – Parent/carers consultations

Book Bags

As you know, at Cabot we love reading and we send home books so that you can enjoy sharing books at home. The best way for books to come to and from school is in book bags – this protects the books so we can enjoy them over and over again and is also small enough to hang easily on our pegs along with coats and so on. You can buy Book Bags from the office for £5. We would prefer Book Bags rather than rucksacks.

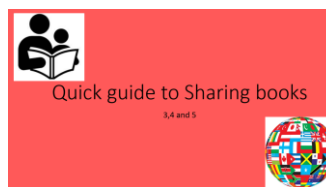

Celebration with Excalibur

Letters have been sent regarding this exciting event happening on 24th January. Due to the visitors from Excalibur and our Academy Committee, the event is ticketed on a first come, first serve basis. If you would like to come, please check whether there are any tickets left in the office.

Reading Videos

Miss Davies has made some short videos to help you when you are reading sharing books with your children. At the moment there are videos for levels 1-8. Miss Davies plans to make more videos this year. They are only a few minutes long so do take a look.

We would like to produce this newsletter in our community languages – if you could help with translating it into your home language, please let Mr Rea in the office know. You can call us on 01173772630

Cabot's core values are:

Partnership **Inclusion** **Excellence**

Goodbye

We are sadly saying goodbye to Mrs Staley who is our School Business Manager – she has been working hard in the office to make sure that we are spending our money wisely! She will leave at the end of January and we wish her well in her future adventures.

We will keep you updated about who we appoint to this role.
