Tuesday 21st March 2023

Dear Families,

Thank you for all your support and flexibility around the snow day and the strike days. Hopefully, the better weather will be coming soon!

Also, thank you for your support with all the World Book Day activities – the children all looked great in their character costumes and we loved having everyone in the school to share in reading our bedtime stories.

We look forward to seeing you in school again soon for our parent/carer consultations. It is important to us that we work in partnership with you to ensure the best for your child.

For those of you who are observing Lent or Ramadan, we hope that this is a special spiritual time for you and that the count down towards the associated celebrations go well.

Finally, a huge well done to Elodie, who has shown great courage and consideration for others by having her hair cut in front of several other classes in order to help create a wig for a child who needs it as well as raising money for the charity that does this, The Princess Trust. There is a fundraising box at the front of school if you would like to add a few coins to it.

Best wishes,

Mrs L-H

Diary Dates

- 21st and 22nd March – Parent/carer consultations
- 30th March School disco
- 3rd – 14th April 2 week break, come back to school 17th April
- 24th April Eid Lunch

Ramadan and Eid Lunch

We know that spiritually this is an important time for many and some children will want to fast. We are happy for children in Y6 to fast during this period, if we receive permission for this. Children who are fasting will be outside at break time but at lunch time, they will be off the playground and in a room with quiet activities. This gives them the opportunity to reflect on the reasons for fasting and to conserve their energy. There will be bread for toast in school if for any reason, children do not feel that they can continue their fast that day. Thank you for your support with this.

On Monday 24th April, we will have an Eid lunch in a similar way to the way we have a Christmas lunch. We are currently discussing the menu with the kitchen but look forward to decorating the hall and enjoying food together.

Online Safety

Online safety is an important part of the world in which we now live.

Please keep reminding children about the importance of not giving out personal information online or chatting with unknown individuals online.

If you have any concerns or questions, please talk to your child's teacher.

We would like to produce this newsletter in our community languages – if you could help with translating it into your home language, please let Mr Rea in the office know. You can call us on 01173772630
