Tuesday 13th June 2023

Dear Families,

It is lovely to see you all back and ready for learning after the half-term break.

This term is always busy with finishing the academic year and getting excited for the next. Please see the dates below for some of the key events that are coming up. Also, please keep checking your texts as we often send out reminders.

As the weather continues to be hot, please ensure that you are sending hats and water bottles into school with your child(ren) and that they are putting sun-cream on before coming to school.

We also wanted to remind you that as part of our commitment to keep children safe, we would expect Cabot children to be dropped off and collected by a relative/family friend who is 16 or older. Thank you for your help with this.

Finally, we want to congratulate Mrs Carter and Miss Thompson, who will be leaving Cabot as they have got new jobs in schools closer to where they live.

Best wishes,

Mrs L-H

Attendance

Thank you for all your hard work in ensuring that everyone is coming to school as much as possible and getting here on time.

Last week, the whole school attendance was 95%. Let's try and beat it this week.

Well done to Y2 with 97% attendance last week, Y5 with 98% attendance and Y4 with 100%. Research shows that even missing 1-2 days a month, can result in children falling behind.

Diary Dates

- 16th June Y6 Carnival – Y6 families invited
- 26th/27th June Animal Day
- 27th June – The Academy Committee are holding a coffee morning for families
- 1st July – St Paul's Carnival
- 3rd July - House Week
- 7th July - Reports shared
- 20th July – Last day of term (INSET day 21.07.21)

Feedback

Thank you to everyone who has taken the time to use the family voice box by the office and added a comment. It is great to see so many positive comments as well as some areas that you feel that we can improve on as a school. We are looking at these in preparation for next year so that we can continue to make improvements.

We really value the communication that we have between us and you, and hope that you know that we will always listen if you have a concern as we want the children to have the best education possible.

Online Safety

Online safety is an important part of the world in which we now live.

We are constantly reminding children about the importance of not sharing their personal details online and only communicating with people that they know in real life. Please support us with this and remind them if they are at home and on devices. Thanks for your support.
