Tuesday 16th May 2023

Dear Families,

What a busy term we have had so far with more events planned in! There have been trips, carnival preparation, Eid lunch and for our Y6 children, their SATs.

A huge well done to Y6 who were calm, collected and very focused on their tests last week. We are so proud of you. Thank you to all the staff who supported with this.

On staffing, we are pleased to welcome Shanthay Wright to the Cabot team. She is supporting children across the school in her role as a Learning Support Assistant.

Y4 have been busy representing the school at a Sports competition as well as at a music celebration – well done Y4.

Y1 lead a wonderful assembly on Friday about their Kenya topic. Thank you Y1.

The after school engineering club have been persevering and have built amazing wooden car frames that include the electronics to make the cars zoom along. Well done.

I am also very excited to say that I have interviewed and been offered the post for the permanent Headteacher/Principal position at Cabot. You have all made me feel very welcome and I am excited to see how we can continue working in partnership to make Cabot the best it can be for every child within the school. You and your children are at the heart of the school community; I feel privileged that you have allowed me to be part of this with you.

Best wishes,

Mrs L-H

Diary Dates

- 22nd May Y5/Y6 RSE Education Meeting
- 29th May Half term – no school
- 5th June INSET – no school for children
- 26th/27th June Animal Day
- 1st July – St Paul's Carnival (Y6 are part of the preparations for this but everyone is invited to come and join us on the day. We understand that this may be Eid and so a Cabot celebration is being planned to share Y6 costumes.
- 3rd July House Week
- 7th July Reports shared

Book Swap

At the front of school there is a Book Swap – feel free to take books from there and either return them when you have read them or add some books to the book swap that you have finished with.

This is a great way for us all be reading more and to support the environment.

Friendship Bench

Thank you to the School and Equalities Council for bringing the Friendship Bench to life. We hope that this will support anyone at break or lunch who would like a check in.

Guinea Pigs

Thank you to Mrs Redwood and Miss Pimenta for organising for some new arrivals to Cabot. We have 2 Cabot guinea pigs. Classes will be responsible for cleaning out their hutch, feeding them and of course, stroking them. We think that they will support taking responsibility as well as everyone's mental health and well-being.

Voting took place yesterday and their names are

Online Safety

Online safety is an important part of the world in which we now live.

We have heard children talking across the school about using Whats App independently. Just a reminder that the age limit for this app is 16.

Also, the game Fortnite has an age limit of 13 on it so again, we would not expect children to be able to access this.
