Wednesday 16th July 2025

Dear Families,

As we are reaching the end of this academic year, we want to reflect on the many successes of the year including a Good Ofsted, great phonics data in Y1, fantastic multiplication times table results in Y4 and brilliant SATs results in Y6. The children have also been building their confidence, oracy and regulation this year building further successes. All of the children, families and staff have contributed to the success of Cabot. We look forward to another brilliant year next year.

We also want to say thank you for your support, from reading at home with the children every day to supporting the bigger Cabot events like the community event and the sports afternoons – you were all great at joining in too!

Sadly, some staff are leaving Cabot – Miss Drayton will be seconded to Compass Point school – a school within the Trust – to support them in an Assistant Head Role. Miss Owen and Miss Shaz will also be moving on to new adventures in different parts of the country. Miss Halima has had her final day as the Lollipop Lady and we wish her well with what comes next for her; please take care when crossing the road on your way in to school and whenever possible, please walk, scooter or bike into school as a way of actively travelling, helping the planet and keeping healthy.

As we reach the end of term, just a reminder to please ensure that you pay off your dinner money balance in full.

Have a wonderful summer break and we look forward to welcoming you all back on September 4th.

Best wishes,

Mrs L-H

Diary Dates

w/c 14th July – House Week
 18th July – Reports due out
 22nd July – Last day of term
 2nd and 3rd Sept – INSET days
 4th Sept – Welcome back, first day of term

Attendance

The average attendance across the school last week was **93%** which is considerably lower than it has been – our target is **96%**. Well done to **Year 2** last week with **97%** attendance and not far behind **Year 5** with **95%**. Please support us by helping get your child into school for the last few days of term.

Please remember that the law is that children are expected to be in school unless they are too unwell to be in school.

Fines can be given by the Local Authority so please ensure that holidays are booked out of term time. Thank you for your support with this.

School Meals

Just to let you know that the provider of school meals will change early next academic year. Instead of Chartwells, it will be Aspen – the meals available will be similar and we will share menus with you when we have them. The cost of a school meal will be £2.88

Thank You

We all want to say thank you to the current House Captains and Deputy House Captains, as well as our School and Equalities Council who have worked hard this year delivering assemblies, creating projects such as our Anti-Racism Week and buying the road signs to support the safe arrival and departure of children in the school.

The voting process will happen again next year for us to have a new set of Y6 House Captains and Deputies, as well as the School and Equalities Council. We hope that you will consider applying.

We would like to produce this newsletter in our community languages – if you could help with translating it into your home language, please let the office know. You can call us on 01173772630
