Book Bags/Backpacks

Book bags can be purchased from the office. It is important that children have a book bag or backpack to carry their reading books to and from school.

Technology in School

As stated above, we do not expect to see Smart watches in school for safeguarding reasons.

We do not expect to mobile phones to be coming into school unless there are exceptional circumstances and these have been discussed and agreed by the school. Any phones that do come into school, will be stored in the office for the school day and returned at home time to support our safeguarding obligations.

Lost Property

Please label your child's clothing so that if it gets lost, it can easily be returned to your child.

Purchasing School Uniform

School jumpers with a Cabot logo can be purchased from the school office. There are brand new jumpers being sold from the office, as well as second-hand uniform for a donation from the trolley in front of the office. The second hand uniform supports our school being eco-friendly. Jumpers are our only branded piece of uniform but there is no expectation that every child will have one, plain blue jumpers in the same colour from a supermarket or department store is also acceptable.

One of our values is inclusion – we want everyone to feel included at Cabot and part of this is visually through our uniform. By agreeing to our home school agreement, you are also agreeing to send your child into school wearing appropriate school uniform.
